

# Wedding Package Inclusions

## 1 On-site Coordinator

We understand the unique needs of every client and we strive to create your vision into a reality. With our on-site coordinator, you eliminate the stress of taking matters into your own hands into making sure your perfect day goes as smoothly as possible.

## 2 Bridal Suite Access

We have a quiet and intimate bridal suite built into our venue that boasts of big windows letting in perfect natural lighting for picturesque photoshoots. Full-length mirrors that provide you with a head-to-toe glimpse of your beautiful self. It's the perfect space to have your 'first looks' and to relax and bond with your loved ones before your beautiful ceremony begins.

## 3 Classic Decor & Linen Selection

We have a beautifully wide selection of linens and centrepieces for you to create your dream wedding into a reality! Choose between your choice of style and colour of floor length table linens, napkins and chair covers.

4

## Exceptional Sound System

Enhance those musical chills with our PA Surround Sound System. Whether you just want some background music or do not have a DJ to play during your ceremony, bring a device or use ours to play your own music.

5

## Menu Tasting

Wedding menu tastings are a great way to make sure you create the perfect menu for your special day! Not only do we provide a chance to sample the delicious food options, but they also give you the opportunity to provide feedback and adjust the menu to fit your needs.

6

## Hotel Accommodations

Enjoy our affiliation and discounted rates at the Sandman Hotel for your special night. Whether you may have guests from out of town or even need an early start on your honeymoon, Sandman offers a special block of 10 rooms for your wedding night and a discount code your guests may use when booking.

7

## Personal Wedding Planning Portal

We believe as a venue it is important to be apart of planning your special day, we want to help as much as possible. Upon booking with us, you will receive access to our wedding planning portal which will allow you to create your guest list, seating chart, save inspirational ideas and much more.
